

E-LEARNING

TAG's E-learning products consist of three suites of training programs for three different audiences who differ in the degree of responsibility they have for managing the risk of workplace violence. These suites may be licensed for use on your company's Learning Management System or for use through our online e-learning platform, TAG-U. Companies of all sizes can now access training previously available only to the largest multinational companies.

SPECIALIST SUITE

Audience: Anyone responsible for conducting investigations or for guiding decisions about discipline, termination, or workplace violence prevention policies and procedures (e.g., human resources, employee relations, security, employment law, and compliance).

1. Principles of Workplace Violence Prevention

Learn about the universal causes and effects of workplace violence, TAG's 12 Maxims, the team approach to case management, everyone's role in prevention, and TAG's Key Tenets.

2. Investigation

Learn about the basics of investigation, the steps in a preliminary investigation, when to escalate the case to the team, when to consult TAG, supplemental and special investigations, and interviewing. (Includes case studies.)

3. Assessing and Managing Workplace Threats

Learn the purpose of threat assessment, what constitutes a threat, 20 warning signs of violence, situational risk factors, risk factors for the mentally ill, protective factors, and principles of risk assessment and threat management. (Includes case studies.)

4. Intimate Partner Violence

Learn about the prevalence of intimate partner violence, the effects on the workplace, predictors of a lethal outcome, TAG's basic approach, when to escalate cases to the team, the pros and cons of restraining orders, and the protection of targeted victims. (Includes case studies.)

5. Stalking

Learn about the definitions, statistics, and impact of stalking, commonly reported behaviors, risk factors for violence by stalkers, the 5-step process of stalking, and stalker management strategies. (Includes case studies.)

6. Cyberstalking and Related Misconduct

Learn about the definition, features, and laws against cyberstalking and cyberbullying and the problem of cyberslamming and other web-based misconduct that may target your employees. (Includes case studies.)

7. Life Stress, Personality Disorder, and Substance Abuse

Learn about the workplace impact and signs of stressful life events, personality disorders, and substance abuse and some recommended management techniques. (Includes case studies.)

8. Mental Illnesses and Suicide Prevention

Learn about the workplace impact and signs of common mental illnesses, available management strategies, risk factors for suicide, and methods of suicide prevention. (Includes case studies.)

9. Safe Termination

Learn the signs of an end-stage employee, the recommended timing, location, and agenda for termination, steps to take during high risk terminations, when to terminate by phone, and recommended termination softeners. (Includes case studies.)

10. Problematic Former Employees

Learn about the predictors and forms of post-employment misconduct and recommended strategies for preventing access and managing harassment. (Includes case studies.)

11. Managing Unwanted Communications and Visits

Learn about warning signs of violence by outsiders, the need for an early warning system and how to create one, the importance of documenting and assessing all unwanted contacts, not just threats, what to look for in assessment, and how to handle unwanted writings, calls, and visits. (Includes case studies.)

12. Preparing for an Armed Attack

Learn about armed attackers, how to prepare your organization for an armed attack, what to expect from law enforcement, general guidelines for all incidents, and specific guidelines for four scenarios: armed attacker in an open area; armed attacker outside your building; armed attacker in your building; and armed attacker in your room. (Includes case study.)

MANAGER / SUPERVISOR SUITE

Audience: Anyone who manages or supervises other employees or contractors.

1. Managing Troubled People

Learn how to identify workplace behaviors that you can discuss with your employees to improve performance, how to identify behavioral emergencies, and when to seek guidance from others.

2. Managing Troubling Situations

Learn how to identify workplace behaviors that you should report to others who have specialized training to assist you.

3. Responding to an Armed Attack

Learn how you and your employees should respond in the event of an armed attack.

EMPLOYEE SUITE

Audience: Anyone who does not manage or supervise others.

1. Your Role in Workplace Violence Prevention

Learn what you should observe and report. You can help save someone's job and maybe even save a life.

2. Gatekeeper Safety: How to Deal with Unwanted Writings, Calls, and Visits

Learn how to identify, deal with, and report unwanted writings, calls, and visits.
